

This is a detailed geological map of the Kildare area in Marion County, Arkansas. The map is oriented with North at the top. It shows a complex network of geological features, including the Kildare Fault, which runs diagonally from the northwest to the southeast. The map is divided into numerous small sections, each labeled with a name, often followed by a number (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35). These sections are likely representing different geological formations or oil fields. The map also shows the locations of several towns and cities, including Kildare, Myrtis, Garfield, Brent, Black Bayou, Gilliam, Lane, Belcher, and Oil City. The map is bordered by the states of Texas to the west and Louisiana to the east. The map is titled "Kildare Fault" and "Arkansas".
