Official AAA Garage

K.C. AUTO HOTEL
313 So. CINCINNATI
Tulsa - Okla.

Largest and finest Auto Hotel in the state, fireproof building, 700 car capacity, complete auto service, washing, greasing, repairing, wrecker service day or night, drive to Hotel, attendants will take you to your hotel, no extra charge, or call us from your hotel and we will pick up your car. Phone 4-4141.

How to Follow This Guide

When entering a town refer to the reverse side of this map and you will find all Authorized Guide and Map Stations in Oklahoma listed under the heading **AUTHORIZED GUIDE AND MAP STATIONS OF OKLAHOMA**. The towns in which these stations are located are arranged alphabetically for your convenience. For example: In driving into Vinita, should you desire the best Cafe, you will find listed

SUNBEAM WAFFLE HOUSE
new
146 South Wilson Street,
VINITA, OKLA.
Highways 66-73.

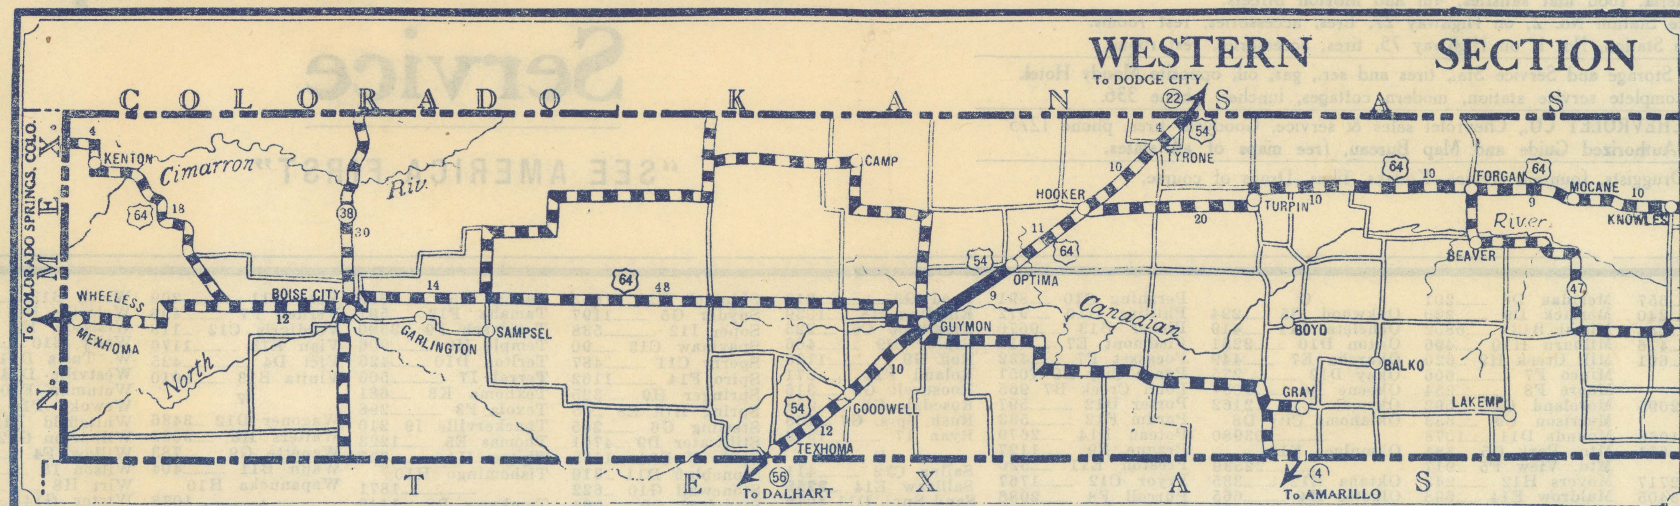

Best equipped and most modern cafe in northeastern Oklahoma. We specialize in steaks and chops, welcome tourists, come as you are. Open all night, across street from Hotel Vinita. Mr. and Mrs. J. E. Upchurch.

This example applies to all stations which appear on the map. You will find it a simple matter to tour the entire State of Oklahoma without depending upon any source of information other than that furnished by the Authorized Guide and Map Stations of Oklahoma. Look for the Blue and Yellow Sign when you leave Oklahoma for the same courteous and dependable service is at your command in any other state in the Union. Get your free map of the next state before leaving Oklahoma.

"THE SOUTHWEST'S LEADING CAFES".

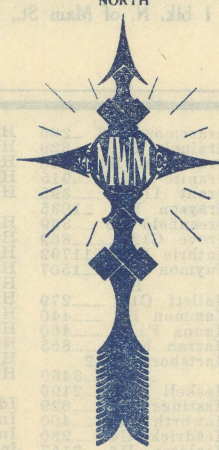

Bishops
WAFFLE HOUSE

15 East Third Street, Tulsa, Oklahoma. 113 North Broadway, Oklahoma City, Okla.

Authorized Guide & Map Service

From Coast to Coast

The AUTHORIZED GUIDE AND MAP SERVICE was established for the purpose of supplying to the motor traveler and tourist, through a chain of stations throughout the nation, free and dependable road maps and reliable sources of information. In selecting the firms with whom the Service has been placed, their ability to render the tourist courteous, honest and intelligent service was the first and the absolutely necessary requirement.

Mid-West Maps are Reliable

Accurate maps and reliable information are most essential to the traveling public. This map and the information furnished you by the stations listed hereon are reliable. Revisions are made as changes in the marking and condition of highways occur, and you will find this map the most strictly up to date of any obtainable. Curbstone information—as a rule—is inaccurate, so do not depend on it while traveling. Look for the Blue and Yellow Sign of the Authorized Guide and Map Service for there you will find information you can depend upon, plus prompt and courteous Service.

PAULS VALLEY, OKLAHOMA

Pauls Valley, County Seat town of 4500 people, with ten miles of paved streets, beautiful lawns, wide spreading shade trees, modern homes, adequate schools, municipal water systems, situated in a valley of the Washita whose agricultural resources are represented by a thousand cars of alfalfa hay shipped each year, six hundred tons of butter fat shipped each year with cotton, broom-corn, pecans, fat hogs and fat cattle making a steady business throughout the year, with sufficient industries established or being established to balance a program which makes this an ideal place in which to rear a family and enjoy a home life.

The Chamber of Commerce invites you to visit Pauls Valley and become one of its citizens.
