S. Army fort founded in 1824 by Col. Matthew Arbuckle near the confluence of the Grand, Verdigris, and Arkansas Rivers. The fort was garrisoned until 1890. Several old fort buildings are still standing and the state has constructed the old stockade in which a museum is maintained. Some of the most famous men saw service or visited here, among them being Houston, Jefferson Davis and Washington Irving. |  |
| S. M.  | Will Rogers Memorial and Museum             | Rogers                | S.H. 20-A         | About 1 mile N. W. of Claremore.                                                                                                                                                                                                                                                         |                |                         |         |         |         |         |       | Built of native white stone by the people of the state to honor her native son. Located on the site where "America's Ambassador of Laughter" planned to build a home and retire. The birthplace of Will Rogers is located in the town of Claremore. The site of the annual Easter Pageant, which is held in the park. The Mount Scott, the highest peak of the Wichita Mountains, is located just south of the park area.  |  |
|        | Home of Sequoyah                            | Sequoyah              | Near U.S. 59      | N. from Sallisaw on U.S. 59 2.4 mi. Thence E. on County road 6.7 mi. and N. 0.5 mi.                                                                                                                                                                                                      |                |                         |         |         |         |         |       | Sequoyah was a famed leader in the Cherokee Indian tribe and inventor of the Cherokee alphabet. The original log cabin that served as his home is preserved and is now included in a modern two-story stone building which was designed by a direct descendant of Sequoyah. The structure contains exhibits of historical interest relating to Sequoyah and the Cherokee Nation are exhibited.                             |  |
